patioSchwank 4000

Commercial grade parasol heater

NEW! Remote Control

Experience counts:

Schwank is the worldwide market leader and most trusted brand with over 2 million heating appliances sold.

Features that benefit you:

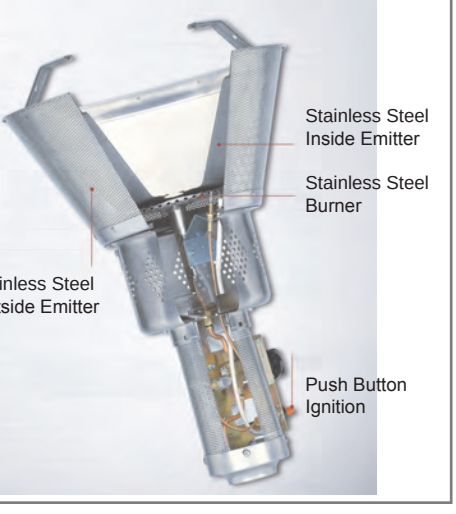
- Available in portable or fixed mount. Propane or Natural Gas to suit any outdoor space
- Advanced burner technology. The flame is ‘sandwiched’ between inner and outer radiant emitters for more heat
- The conical burner directs more radiant heat to patrons for increased comfort
- 38,000 Btuh does the job of 45,000 Btuh. Fuel consumption reduction of up to 16%. Fewer tank replacements
- Strong and appealing single piece 32” reflector
- Dependable, quick and easy light-off with battery spark ignition
- Optional 24V ignition from central control [fixed mount model only]
- Piped from central fuel supply [fixed mount model only]
- Sturdy 4” wheels for stability and easy portability [portable model only]

A Profit Generating Investment

The patioSchwank series 4000 gives you more value for your money.

- Customers enjoy the comfort and ambiance
- Quick payback and repeat sales

CONICAL BURNER HEAD



Schwank
INNOVATIVE HEATING SOLUTIONS

patioSchwank 4000- Commercial grade parasol heater

The Schwank Advantage:

- Worldwide market leader in infrared heating
- Highly rated customer service in the industry:
  - The quickest lead times, as short as two days
  - The best on-time performance, over 99% during normal periods, and over 95% during peak seasons
  - The best quality in the industry: our service claims are less than 0.8% of sales
- Complete heating solutions from one source: luminous [high intensity], tube, patio and stadium heaters
- Fuel cost analysis and investment evaluation
- Professional planning and free design support
- 3-year commercial use warranty
